2. GUARANTEE AND INDEMNITY

2.1 The Guarantor hereby:

2.1.1 unconditionally and irrevocably guarantees to each Bondholder the due and punctual performance by the Guaranteed Issuer of its following obligations as and when there is a Delay in Payment by the Guaranteed Issuer:

- (a) to duly pay Regular Interest (coupon) payable from time to time under the Bond;
- (b) to duly pay upon redemption or early redemption or partial early redemption from time to time of the Bond;
- (c) to pay on Bonds' maturity the Principal and/or accrued coupon interest under the Bond calculated in accordance with the Issuance Documents if the Guaranteed Issuer is delayed in the performance of its obligation to repurchase from time to time the Bonds in accordance with the Issuance Documents or has repudiated this obligation;
- (d) to pay the interest for the period from (and inclusive) the day when the relevant obligation of the Guaranteed Issuer became due and until the day (but excluding) when the payments under any of (a), (b) or (c) above were paid by the Guarantor in accordance with clause 10 hereof; the said interest shall be accrued on the amount due at the refinancing rate established by the Central Bank of the Russian Federation as of the day when the payments under any of (a), (b) or (c) above were paid by the Guarantor in accordance with clause 11 hereof.

The obligations of the Guarantor specified in 2.1.1 above shall be treated as its own primary obligations and not as co-debtor (*medeschuldenaar*), as a surety (*borgtocht*) or a contract of joint and several liability (*hoofdelijkheidsverklaring*) and accordingly undertakes to pay to such Bondholder forthwith upon first written demand of such Bondholder in accordance with clause 11.1 and in the manner and currency prescribed by such Bond for payments as and when there is a Delay in Payment by the Guaranteed Issuer; and

2.1.2 undertakes to each Bondholder that, if the Guaranteed Issuer is in Delay in Payment for any reason whatsoever (including, without limitation, by reason of any Bond or any provision thereof being or becoming void, unenforceable or otherwise invalid under any applicable law), then, (notwithstanding that the same may have been known to such Bondholder) the Guarantor will, as a sole, original and independent obligor, forthwith upon first written demand by such Bondholder, pay such sum by way of a full indemnity in the manner and currency as is provided for in the Issuance Documents and indemnify each Bondholder against all losses, claims, costs, charges and expenses to which it

may be subject or which it may incur under or in respect of the Bonds or this Guarantee. This indemnity constitutes a separate, abstract, additional and independent obligation from the other obligations under this Guarantee and shall give rise to a separate and independent cause of action.

- 2.2 The Guaranteed Issuer shall be deemed to have discharged its obligations to pay to the Bondholders any Regular Interest (coupon) and other payments under the Bonds as set out under clause 2.1 of this Guarantee above, at such time as all amounts payable have been placed at the disposal of the Central Depository, in which case the Guarantor is also discharged of such obligations.
- 2.3 This Guarantee is a guarantee for the benefit of each Bondholder from time to time. Upon transfer of any such Bond, a former Bondholder thereof shall no longer have any rights hereunder with respect to such Bond. The rights under this Guarantee with respect to a Bond are not separately transferable from such Bond. It is specifically intended by the Guarantor and each Bondholder (by accepting this guarantee) hereto that the rights under this Guarantee with respect to any Bond shall be transferred by operation of law under section 6:251 of the Dutch Civil Code (DCC) to a subsequent Bondholder of that Bond.
- 2.4 To the extent that any payment in respect of any settlement or discharge (Payment) between the Guaranteed Issuer and the Bondholders (or any individual Bondholder) may be avoided or reduced by the Guaranteed Issuer (or any other person on the Guaranteed Issuer's behalf) by virtue of any applicable provisions or enactments relating to bankruptcy, insolvency or liquidation, the Bondholders shall each be entitled to recover the amount by which such Payment is so avoided or reduced from the Guarantor subsequently as if such settlement or discharge had not occurred.

3. TAXES AND WITHHOLDINGS

- 3.1 All payments in respect of the Bonds under this Guarantee shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by The Netherlands and/or the Russian Federation or any political subdivision or any authority thereof or therein having power to tax (*Taxes*). If the Guarantor or any agent thereof is required by law or regulation to make any withholding or deduction for or on account of Taxes, the Guarantor shall, to the extent permitted by applicable law or regulation, pay such additional amounts as will result in the receipt by the Bondholders of such amounts as would have been received by them if no such withholding or deduction had been required, except that no such additional amounts shall be payable to a Bondholder if and to the extent:
 - 3.1.1 such Bondholder had been able to avoid or reduce such withholding or deduction by completing any procedural formalities but has failed to do so; or

- 3.1.2 such Taxes had not been imposed but for such Bondholder having some connection with The Netherlands or the Russian Federation other than the mere holding of and payment in respect of the relevant Bond; or
- 3.1.3 such Taxes had not been so imposed but for the presentation by a Bondholder for payment on a date more than 15 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later; or
- 3.1.4 such Taxes arise in connection with the US Foreign Account Tax Compliance Act and/or in connection with any treaties, legislation, regulations, intergovernmental agreements and/or agreements with the US Internal Revenue Service, the US government or any governmental or taxation authority in any other jurisdiction facilitating the implementation thereof.

4. PRESERVATION OF RIGHTS

- 4.1 The obligations of the Guarantor hereunder shall be deemed to be undertaken as principal obligor and not merely as surety (*borgtocht*) or a contract of joint and several liability (*hoofdelijkheidsverklaring*) and as such constitute its independent, abstract and primary obligations.
- 4.2 Neither the obligations expressed to be assumed by the Guarantor herein nor the rights, powers and remedies conferred upon the Bondholders by this Guarantee or by law shall be discharged, impaired or otherwise affected by:

by reason of performance by the Guarantor of its obligations hereunder:
